I PILE IT ON, AND MY TRUCK KEEPS GOING STRONG.

There's a truck built for strength for any task or terrain. A truck like the International® Paystar. The PayStar combines a massive diesel engine with rock-solid 12.25-inch frame rails and 8-link solid chassis. The result is a truck that allows you to handle breathtaking loads—up to 150,000 LBS. Bottom line, the PayStar keeps you going strong long after your load has put you to sleep.

The Shelton State Boosters would like to extend our thanks to the coaches, players and parents for helping promote and support Shelton State Baseball. Working together we are able to provide our boys with many "extra benefits" and an outstanding baseball program. We also want to thank our sponsors for purchasing advertising in our program. A special thanks goes to Coach Bobby Sprowl for all his time and effort working with our boys.

COACHING STAFF

HEAD COACH BOBBY SPROWL

*Having transformed the Shelton State baseball program into a national contender with the most wins in a two-year period in school history, head coach Bobby Sprowl has infused the Bucs baseball program with a new sense of **pride, confidence and purpose.***

After leading Shelton State to the most successful two-year run in the 24-year history of the Bucs baseball program, head coach Bobby Sprowl enters his 19th season at the helm of the Buccaneer baseball program.

Sprowl, who was named the 2008 ACCC Coach of the Year, has directed the most remarkable turnaround in the history of ACCC baseball. Shelton rewrote the record books during a historic 2008 campaign, racking up a school-record 49 wins and notching the second ACCC Championship in school history. One of the hottest coaches in the state, Sprowl brings his tradition of success to Tuscaloosa. Well-known for his ability as a hitting instructor, Sprowl directs the best offensive club in the ACCC, piling up a school record 511 runs.

Shelton's exciting brand of baseball has drawn national attention over the past couple of years, including finishing Runner-up in the nation at the coveted Junior College World Series.

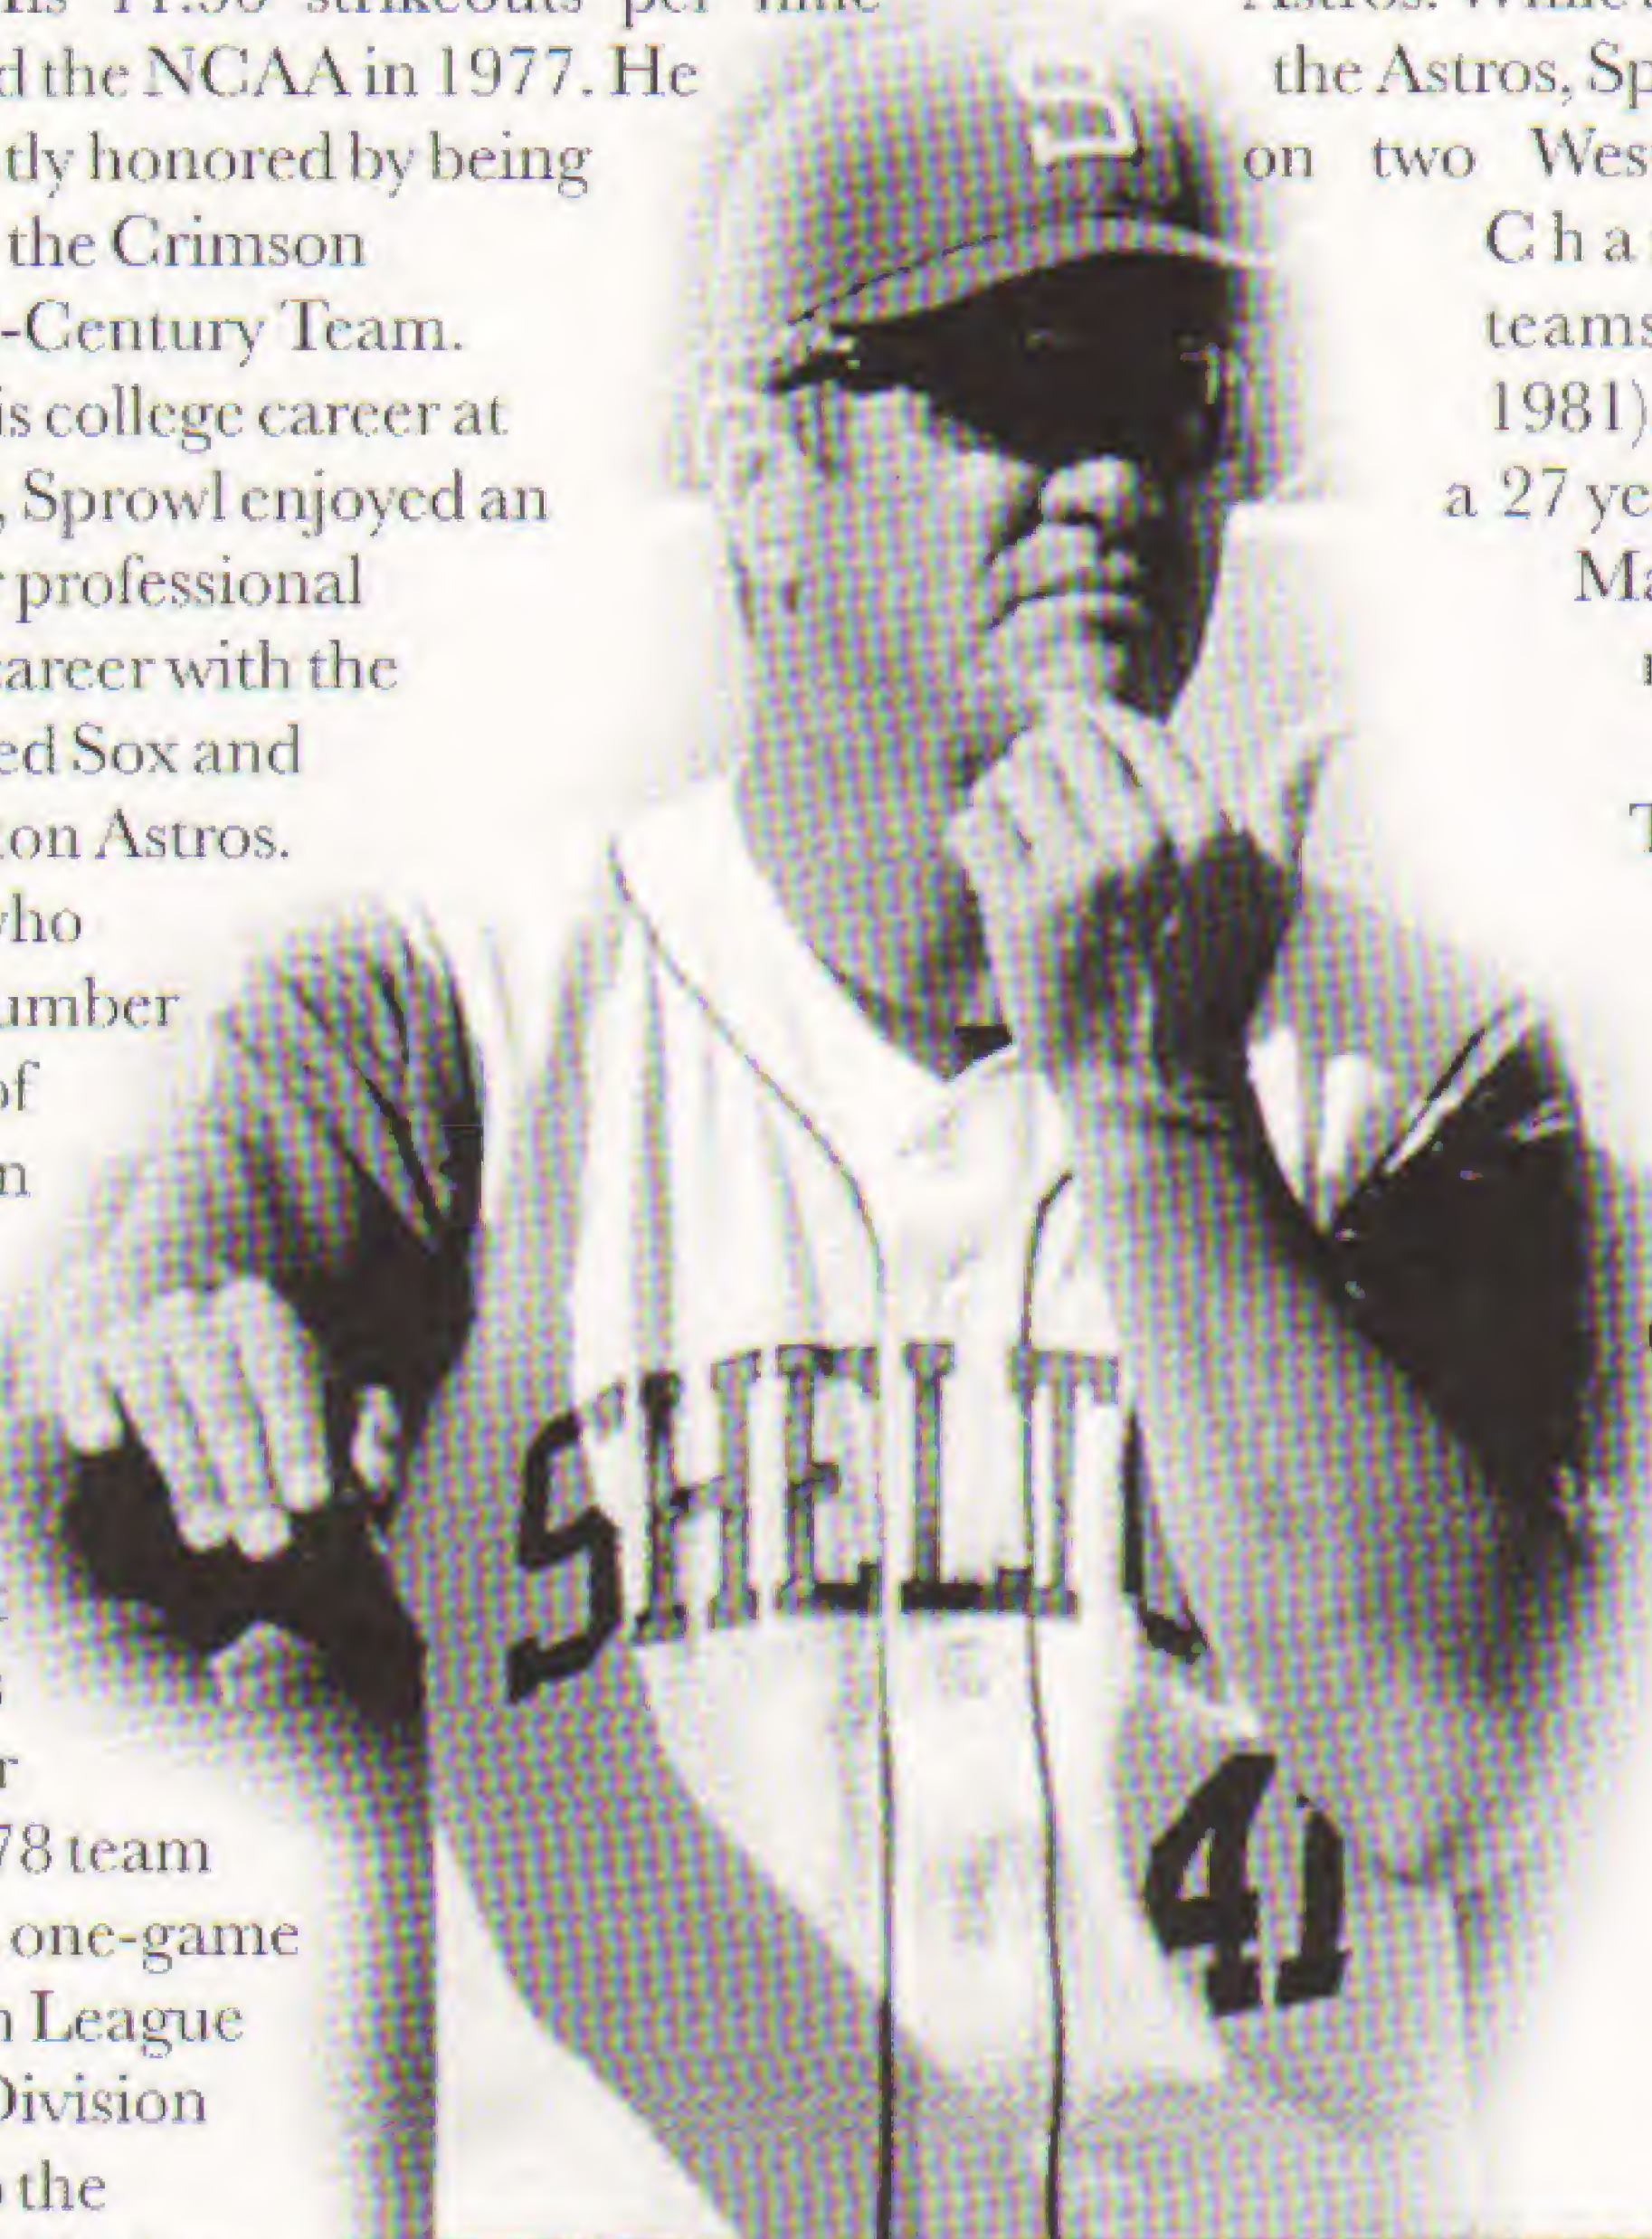

Coach Sprowl enjoyed a fine college career at the University of Alabama, recognized as a second team All-American and consensus All-SEC in 1977. His 11.50 strikeouts per nine inning led the NCAA in 1977. He was recently honored by being named to the Crimson Tide's All-Century Team.

After his college career at Alabama, Sprowl enjoyed an eight year professional baseball career with the Boston Red Sox and the Houston Astros. Sprowl, who was the number two pick of the Boston Red Sox in the June 1977 free agent draft, was a member of the 1978 team that lost a one-game American League Eastern Division playoff to the New York Yankees

on Bucky Dent's famous three-run homer over the green monster at Fenway Park. On June 13, 1979, Bobby was traded to the Houston

Astros. While a member of the Astros, Sprowl played on two Western Division Championship teams (1980 and 1981). Sprowl has a 27 year old son, Jon

Mark. Bobby is married to the former Teresa Gibson, and they have two children, Trevor (16) and Graceson (12).

BRETT KIMBREL

ASSISTANT COACH • FIFTH SEASON

In just four seasons, Shelton State baseball assistant coach Brett Kimbrel has helped to dramatically change the landscape of the Buccaneer baseball program. Kimbrel, who brought his hitting and batting expertise to Shelton, is entering his fifth season as assistant coach for Shelton.

Kimbrel had a big hand in turning around the Shelton baseball program and helping to claim back-to-back ACCC State Titles. The 2008 campaign saw the Bucs win a school-record 49 games and claim Runner-up in the NJCAA JUCO World Series.

Widely known in the college and high school ranks as a tireless and aggressive batting coach and instructor, Kimbrel's past coaching stops include student assistant for the University of Alabama, batting coach/instructor for Chipola Junior College in Marianna, Florida, Tuscaloosa Academy and Holt High School in Tuscaloosa, Alabama. He has coached several professional players, most notably Tyler Redman, who is with the Baltimore Orioles. Kimbrel's responsibilities at Shelton include hitting instruction and working with the infielders.

Kimbrel is married to the former Denise Hubbard. They have two sons Brett (22) and Blake (19).

2009 PREVIEW

Destination: GRAND JUNCTION

With a school-best 94 wins over the past two years. Shelton State enters the 2009 season with unprecedented momentum and a talented roster that has its sights on playing baseball deep into May, and all eyes fixed on the ultimate prize for all JUCO players - Grand Junction.

Success has a way of building upon itself, only to increase a desire for increased greatness. For the Shelton baseball program, which is coming off the most triumphant two-year run in its 24-year history, the Bucs recent accomplishments have increased the team's single-minded hunger for the one thing that Shelton has never achieved.

When the 2009 edition of the Shelton State Baseball team takes the field at home, in early

February, the Bucs will have their sights on playing deep into May. The annual site of the JUCO World Series, Grand Junction's Suplizio Field, is the destination that all JUCO players spend the offseason dreaming about.

Just two years removed from the school's first-ever ACCC State Championship, Shelton State returns a talented squad in 2009, on that is capable of cementing the program's place as a fixture on the national level.

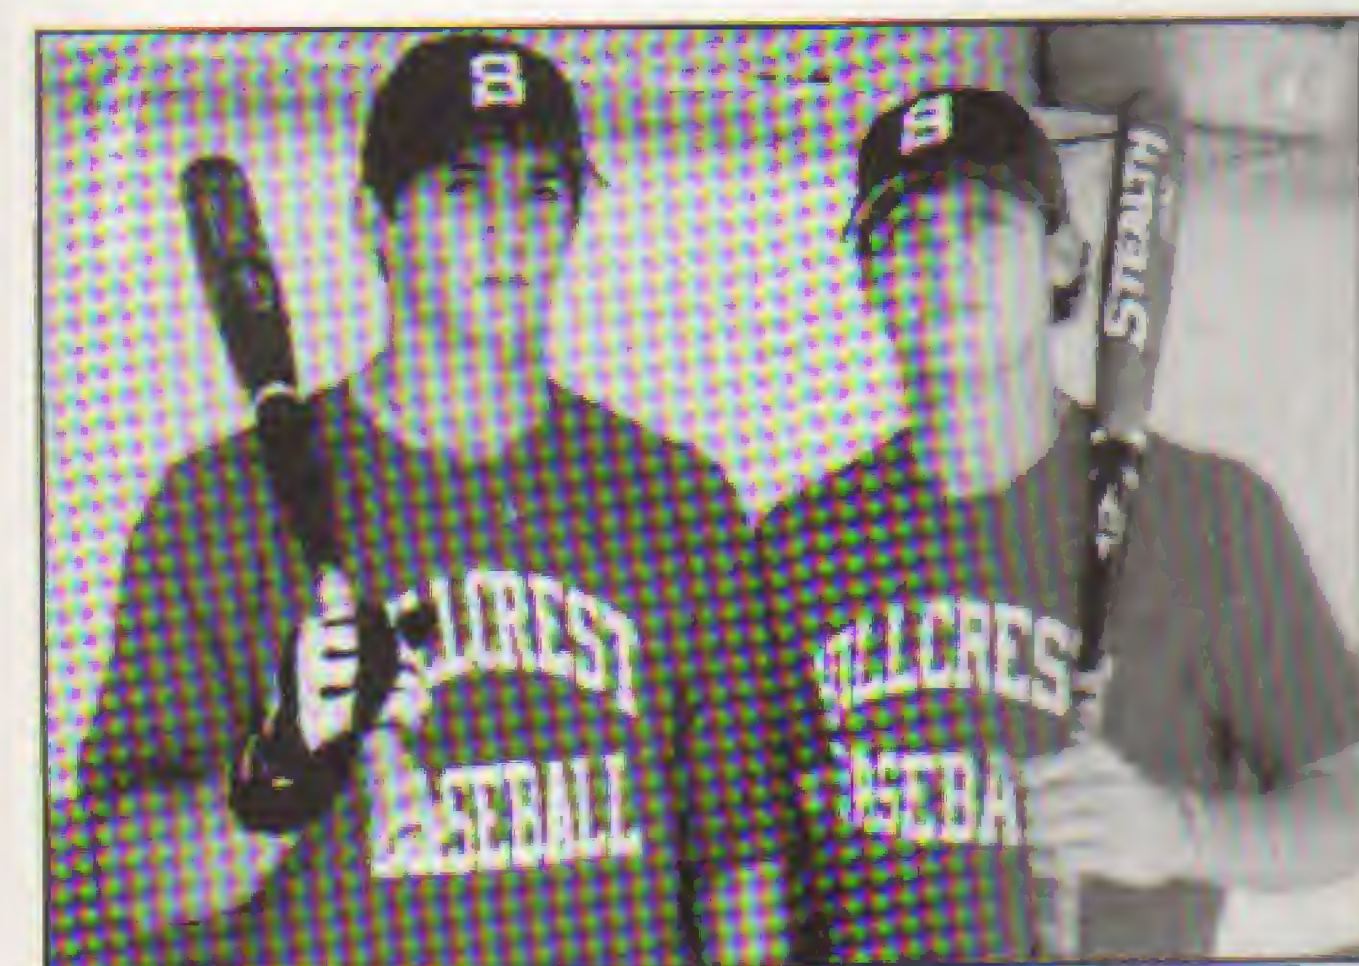

Prior to the 2007 season, the Bucs had never won a State Championship and were not expected to achieve in post season play. By the end of the season, Shelton had claimed a school record 48 wins, secured the school's first ever State Championship and played in their first JUCO World Series in school history. The 2008 season brought much of the same success claiming another State Title and finishing Runner-up in the coveted JUCO World Series.

With a nucleus of talented veterans, fresh-faced talent, and a well-stocked pitching staff, the Shelton team appears to have all the necessary components for a run at another ACCC State title and that much desired ticket to junior college baseball's signature event.

INFIELD

Shelton State lost nearly its entire infield a year ago, which was anchored by shortstop Justin Bussey. The 2009 edition of the Shelton State Bucs will feature new faces on the infield. John David Smelser and Nick Vickerson reunite as Bucs this season. John David Smelser and Nick Vickerson went their separate ways to college after leading Hillcrest High School to the Class 6A baseball championship in 2007. Smelser, voted Mr. Baseball, spent his freshman season at Jacksonville State University while Vickerson, a shortstop who earned All-State recognition as a designated hitter, went to Florida State.

Now they are back home, reunited as teammates at Shelton State hoping to help lead the Bucs to another State title.

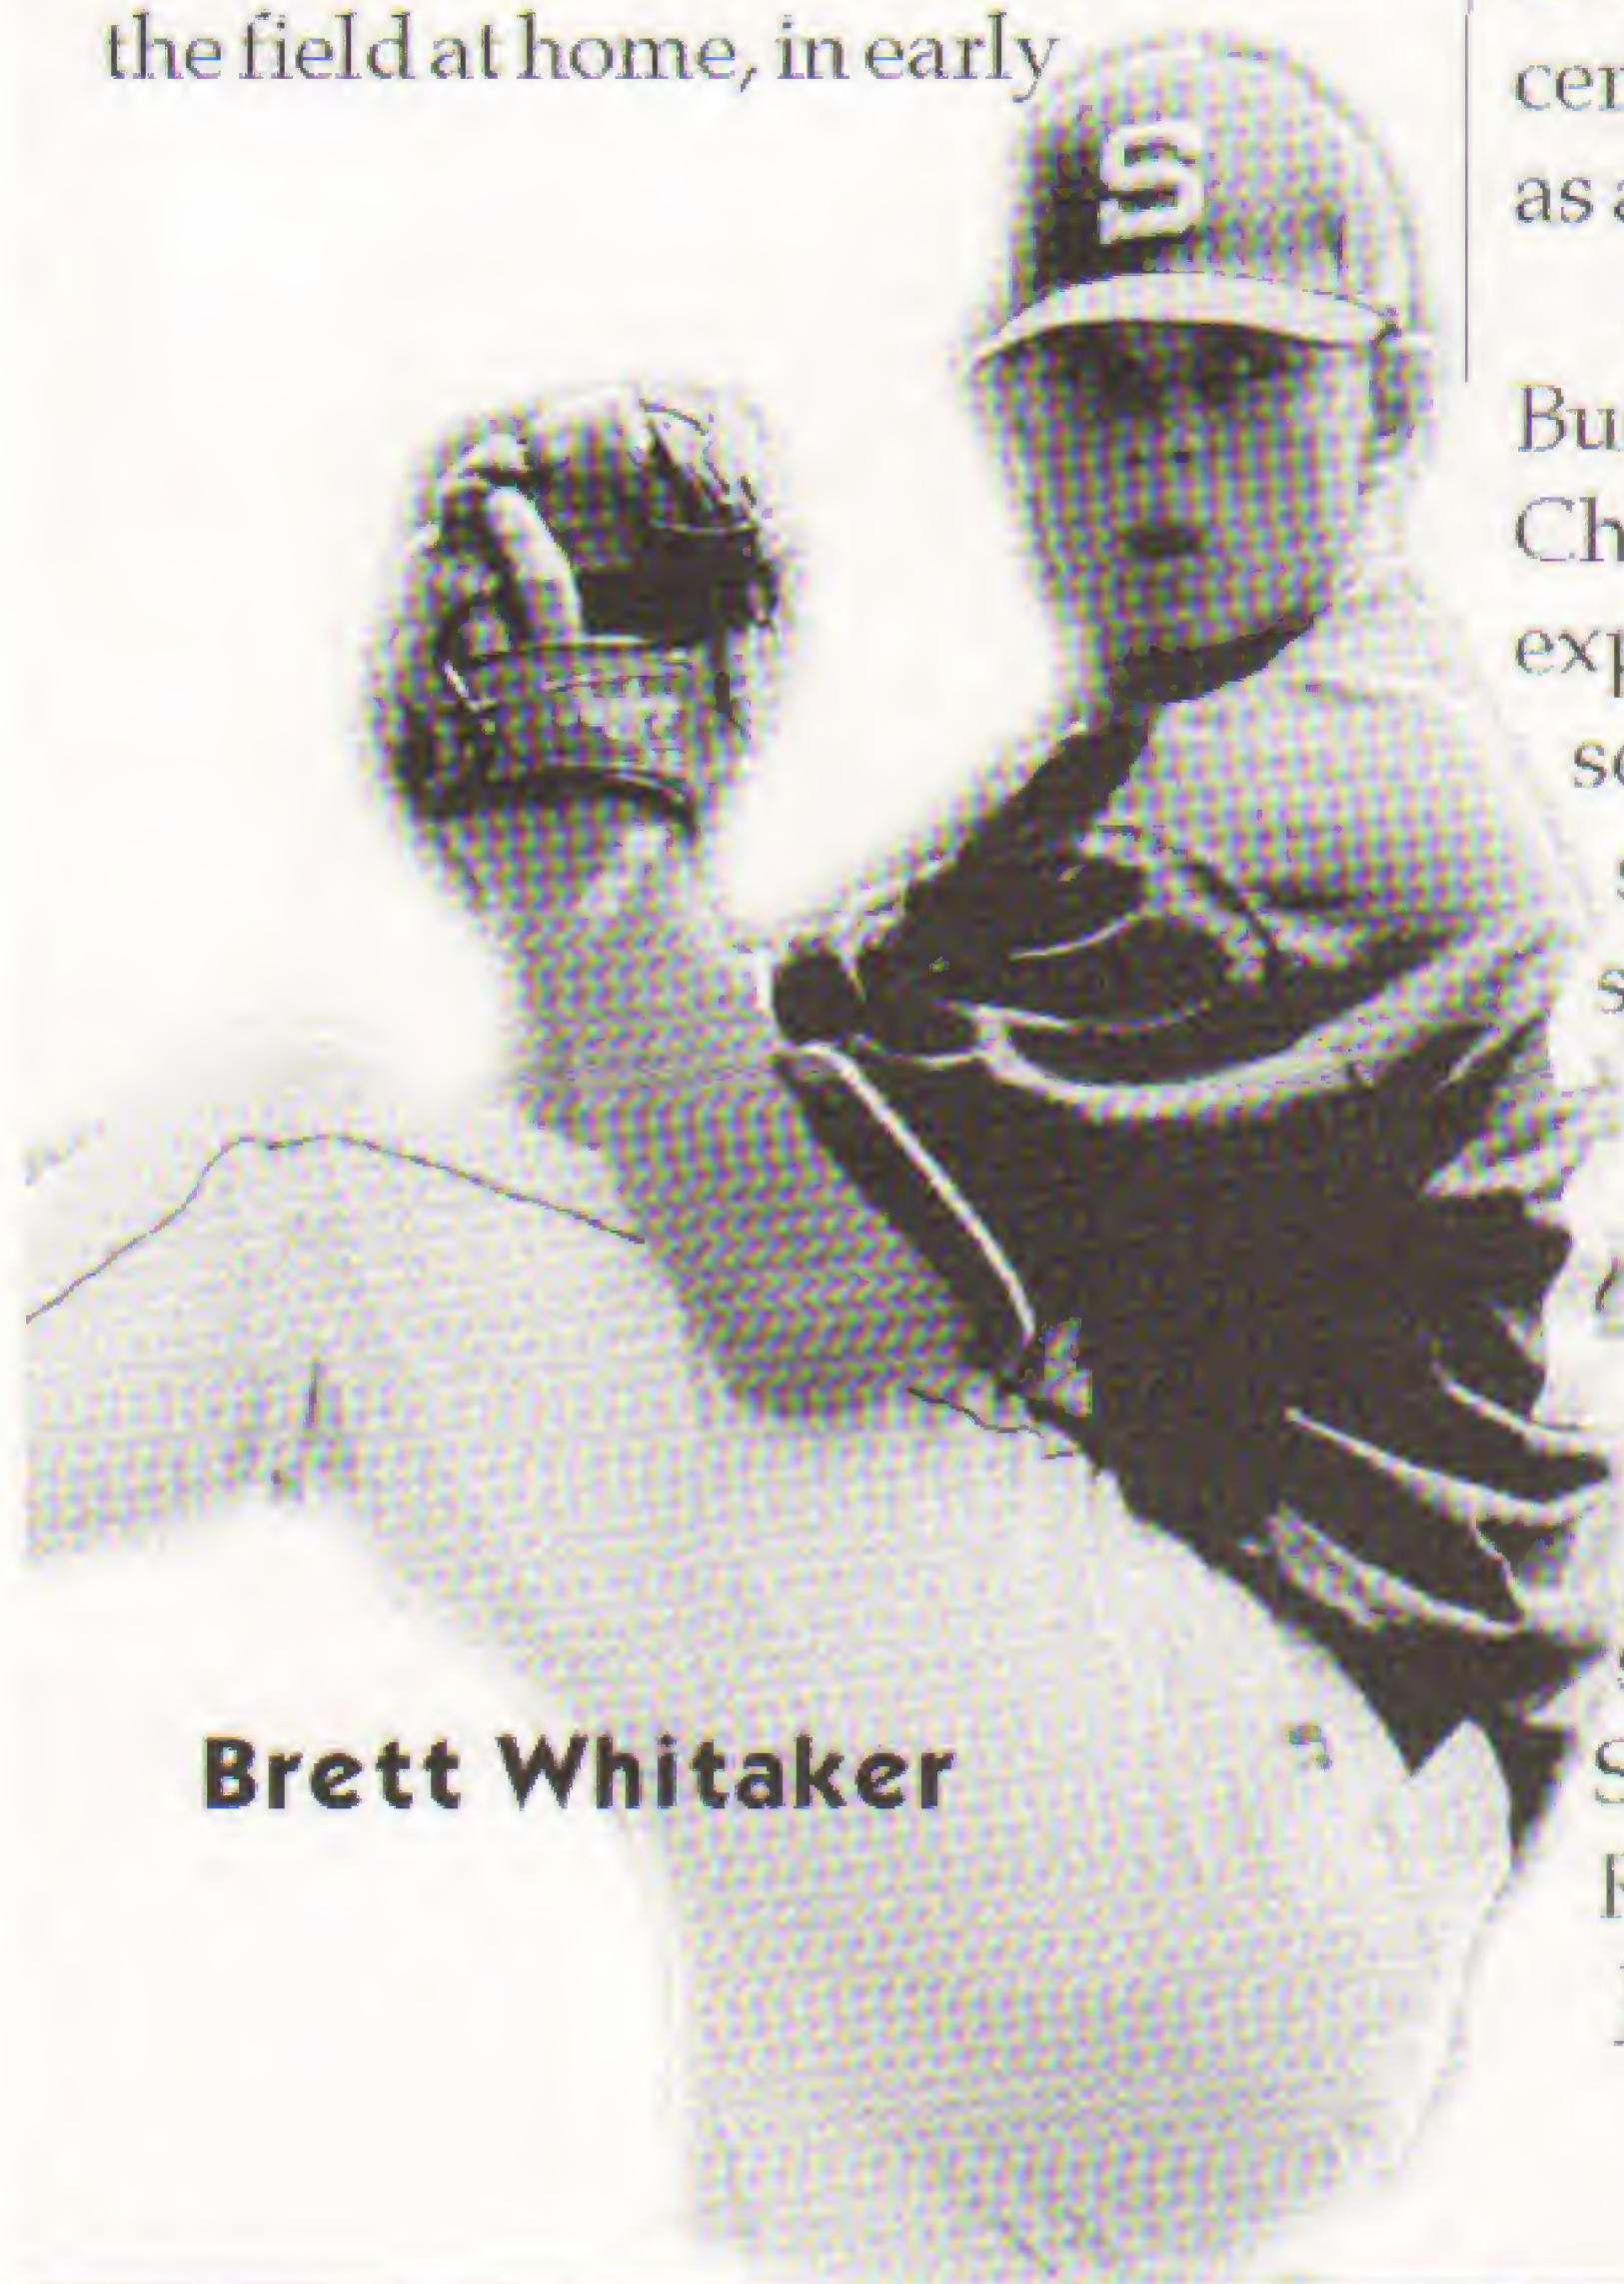

Expected to anchor the infield this season will be Nick Vickerson at shortstop accompanied by his former Hillcrest High teammate John David Smelser at second base. Also vying for middle infield positions will be Dustin Dunn, Jon McKinney and Jonathan Wade. Veteran standout player, Justin Diliberto also will play into the mix in the infield as well.

Returning to the 2009 Buccaneer squad is Brett Whitaker. Brett will take over the first base position which was vacated by Michael Burchfield and Clay Jones. Also at first base will be Corben Green, Logan Pierce and Donnie Forrester.

All-State and All-Division selection and University of Tennessee signee, Tyler Horne, vacated the third base position. Expected to take over his position will be Cayleb Coker, Logan Pierce or L.A. Goree.

With a nucleus of talented veterans, fresh-faced talent, and a well-stocked pitching staff, the Shelton team appears to have all the necessary components for a run at another ACCC State title and that much desired ticket to junior college baseball's signature event.

INFIELD

Shelton State lost nearly its entire infield a year ago, which was anchored by shortstop Justin Bussey. The 2009 edition of the Shelton State Bucs will feature new faces on the infield. John David Smelser and Nick Vickerson reunite as Bucs this season. John David Smelser and Nick Vickerson went their separate ways to college after leading Hillcrest High School to the Class 6A baseball championship in 2007. Smelser, voted Mr. Baseball, spent his freshman season at Jacksonville State University while Vickerson, a shortstop who earned All-State recognition as a designated hitter, went to Florida State.

Now they are back home, reunited as teammates at Shelton State hoping to help lead the Bucs to another State title.

Expected to anchor the infield this season will be Nick Vickerson at shortstop accompanied by his former Hillcrest High teammate John David Smelser at second base. Also vying for middle infield positions will be Dustin Dunn, Jon McKinney and Jonathan Wade. Veteran standout player, Justin Diliberto also will play into the mix in the infield as well.

Returning to the 2009 Buccaneer squad is Brett Whitaker. Brett will take over the first base position which was vacated by Michael Burchfield and Clay Jones. Also at first base will be Corben Green, Logan Pierce and Donnie Forrester.

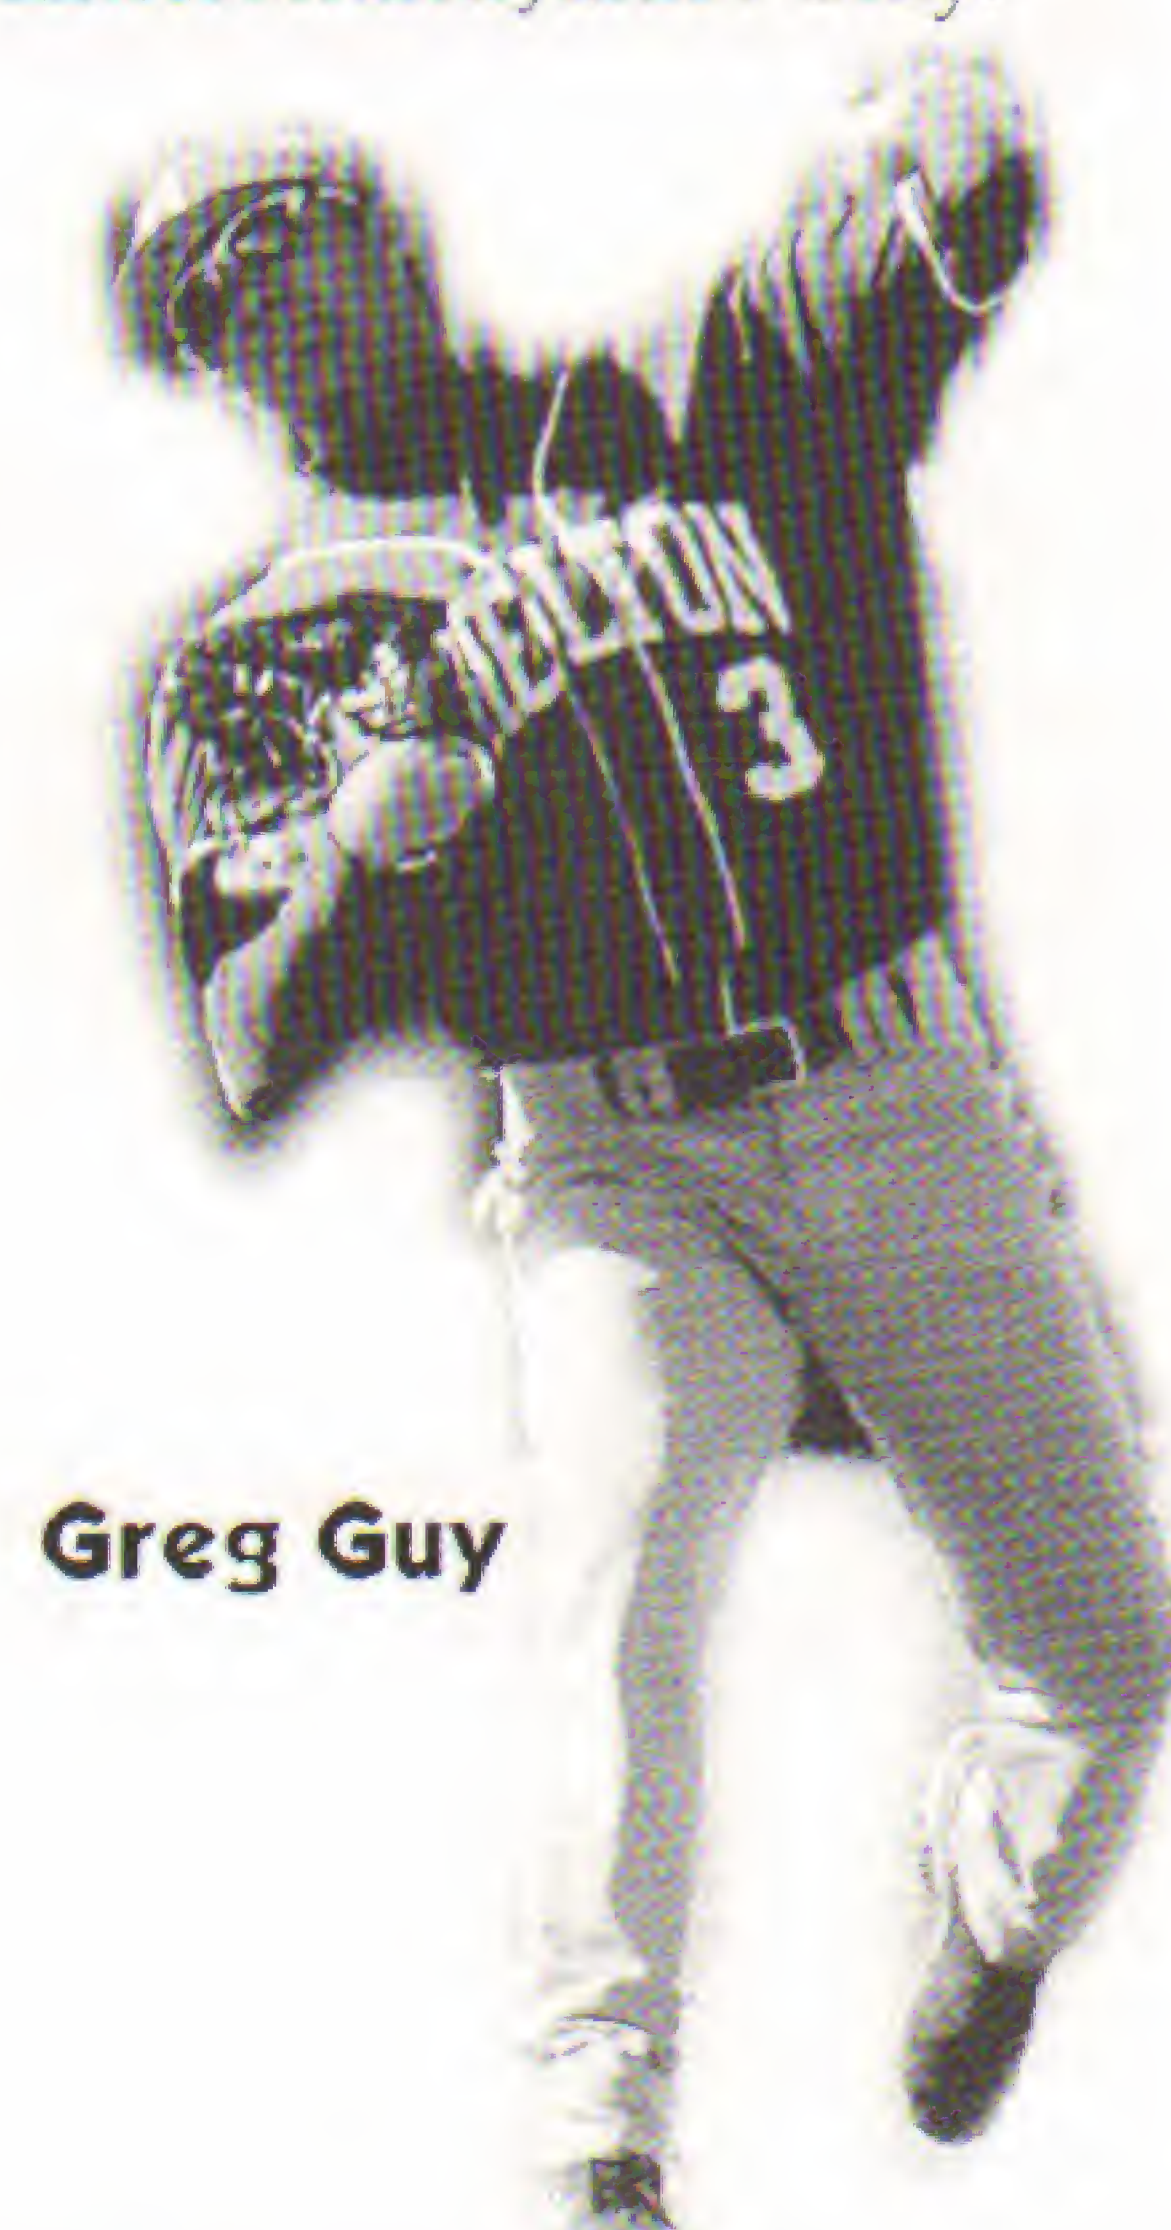

All-State and All-Division selection and University of Tennessee signee, Tyler Horne, vacated the third base position. Expected to take over his position will be Cayleb Coker, Logan Pierce or L.A. Goree.

"This group of guys has a

chance to be our best infield in many years," says Coach Bobby Sprowl. Expect big things out of this new but experienced infield squad for the 2009 season.

OUTFIELD

Once again, Shelton State returns a deep, talented outfield, highlighted by veteran, sophomores Greg Guy and Justin Diliberto. Greg Guy returns for his sophomore season after being redshirted during the 2007 season. Also to anchor the outfield will be sophomore, Justin Diliberto. Newcomers Coy Arrowood, David Isaacs and David Kindred are also expected to contribute to the outfield. Also in the mix will be Jordan Casey, Colby Dickerson and Junior Gray.

Greg Guy

STARTING PITCHING

The starting rotation of the 2009 Bucs team will feature all new faces to the program. After losing 10 pitchers from the 2008 season, Coach Bobby Sprowl will depend on new, fresh arms to help lead the Bucs this season. "The pitching rotation this year features quite a number of good arms, we just lack the experience this season," says Coach Sprowl.

The starting rotation will feature Trey McNutt, David Isaacs, Michael Carden, Josh Wirnsberger, Blake Mechaw and Chris Frias.

BULLPEN

The bullpen will be the key to the success of the 2009 team says Coach Sprowl. "We will have to find 3 or 4 guys to close out games."

Sophomore closer, Brett Whitaker returns after emerging as a skilled late-inning reliever in 2008. Adding to the experience will be Sophomore Matt Wolfenbarger.

Joining Whitaker and Wolfenbarger as talented options out of a deep Bucs bullpen will be Junior Gray, Jon McKinney, Tyler Colvert, Cayleb Coker, Johnny Shuttlesworth, Aaron Allen, Scott Cannon, Jordan Casey and Canon McDonald.

CATCHER

The catcher's position was vacated by University of Alabama signee, Clay Jones. Jones as an All-American, All-State, All-Division and State Tournament MVP selection. So filling his shoes will be difficult.

Newcomer, Matt Kirkwood will likely take over behind the dish for the Bucs this season. Also likely to compete for playing time with Kirkwood will be Carl Hanson, Ben Fox and Russ Warren.

DEFENSE

While Shelton's offense will always receive a significant amount of attention due to Sprowl and Kimbrel's prowess as hitting instructors, the defense has continued to make significant strides as well.

The 2009 squad looks to build upon its past defensive success, and should be paced by several consistent defensive performers in Smelser, Vickerson, Guy and Diliberto. The team's arm strength, running ability and range should become a serious weapon in the field.

SCHEDULE

Shelton's schedule features a 30-game ACCC region slate which is always the states toughest in addition to an abundance of mid-week games against in-state and out-of-state

Sophomore Justin Diliberto returns to anchor the outfield during the 2009 season.

opponents.

After opening the season with a double header scheduled with Central Alabama, Shelton starts a 3 week stint in Florida. They travel to Niceville, Tallahassee and Panama City, Florida. They play teams from all over the Southeast.

The Bucs then return home to open region play with Snead State. Other region opponents include Gadsden State, Marion Military Institute, Wallace-Hanceville, Lawson State, Beville-Sumiton, Calhoun,

Northwest Shoals and Jeff State.

Regardless of who the Bucs are playing, Sprowl expected his team to focus on improving game-by-game and week-by-week.

"That is what we would like to do this year - Traveling down to Florida, we would like to establish some defensive and pitching improvements and rotations set right off the bat," Sprowl said. "I do know that the work-ethic of this club dictates that they are going to get better throughout."

2008 IN REVIEW

Building a National Power

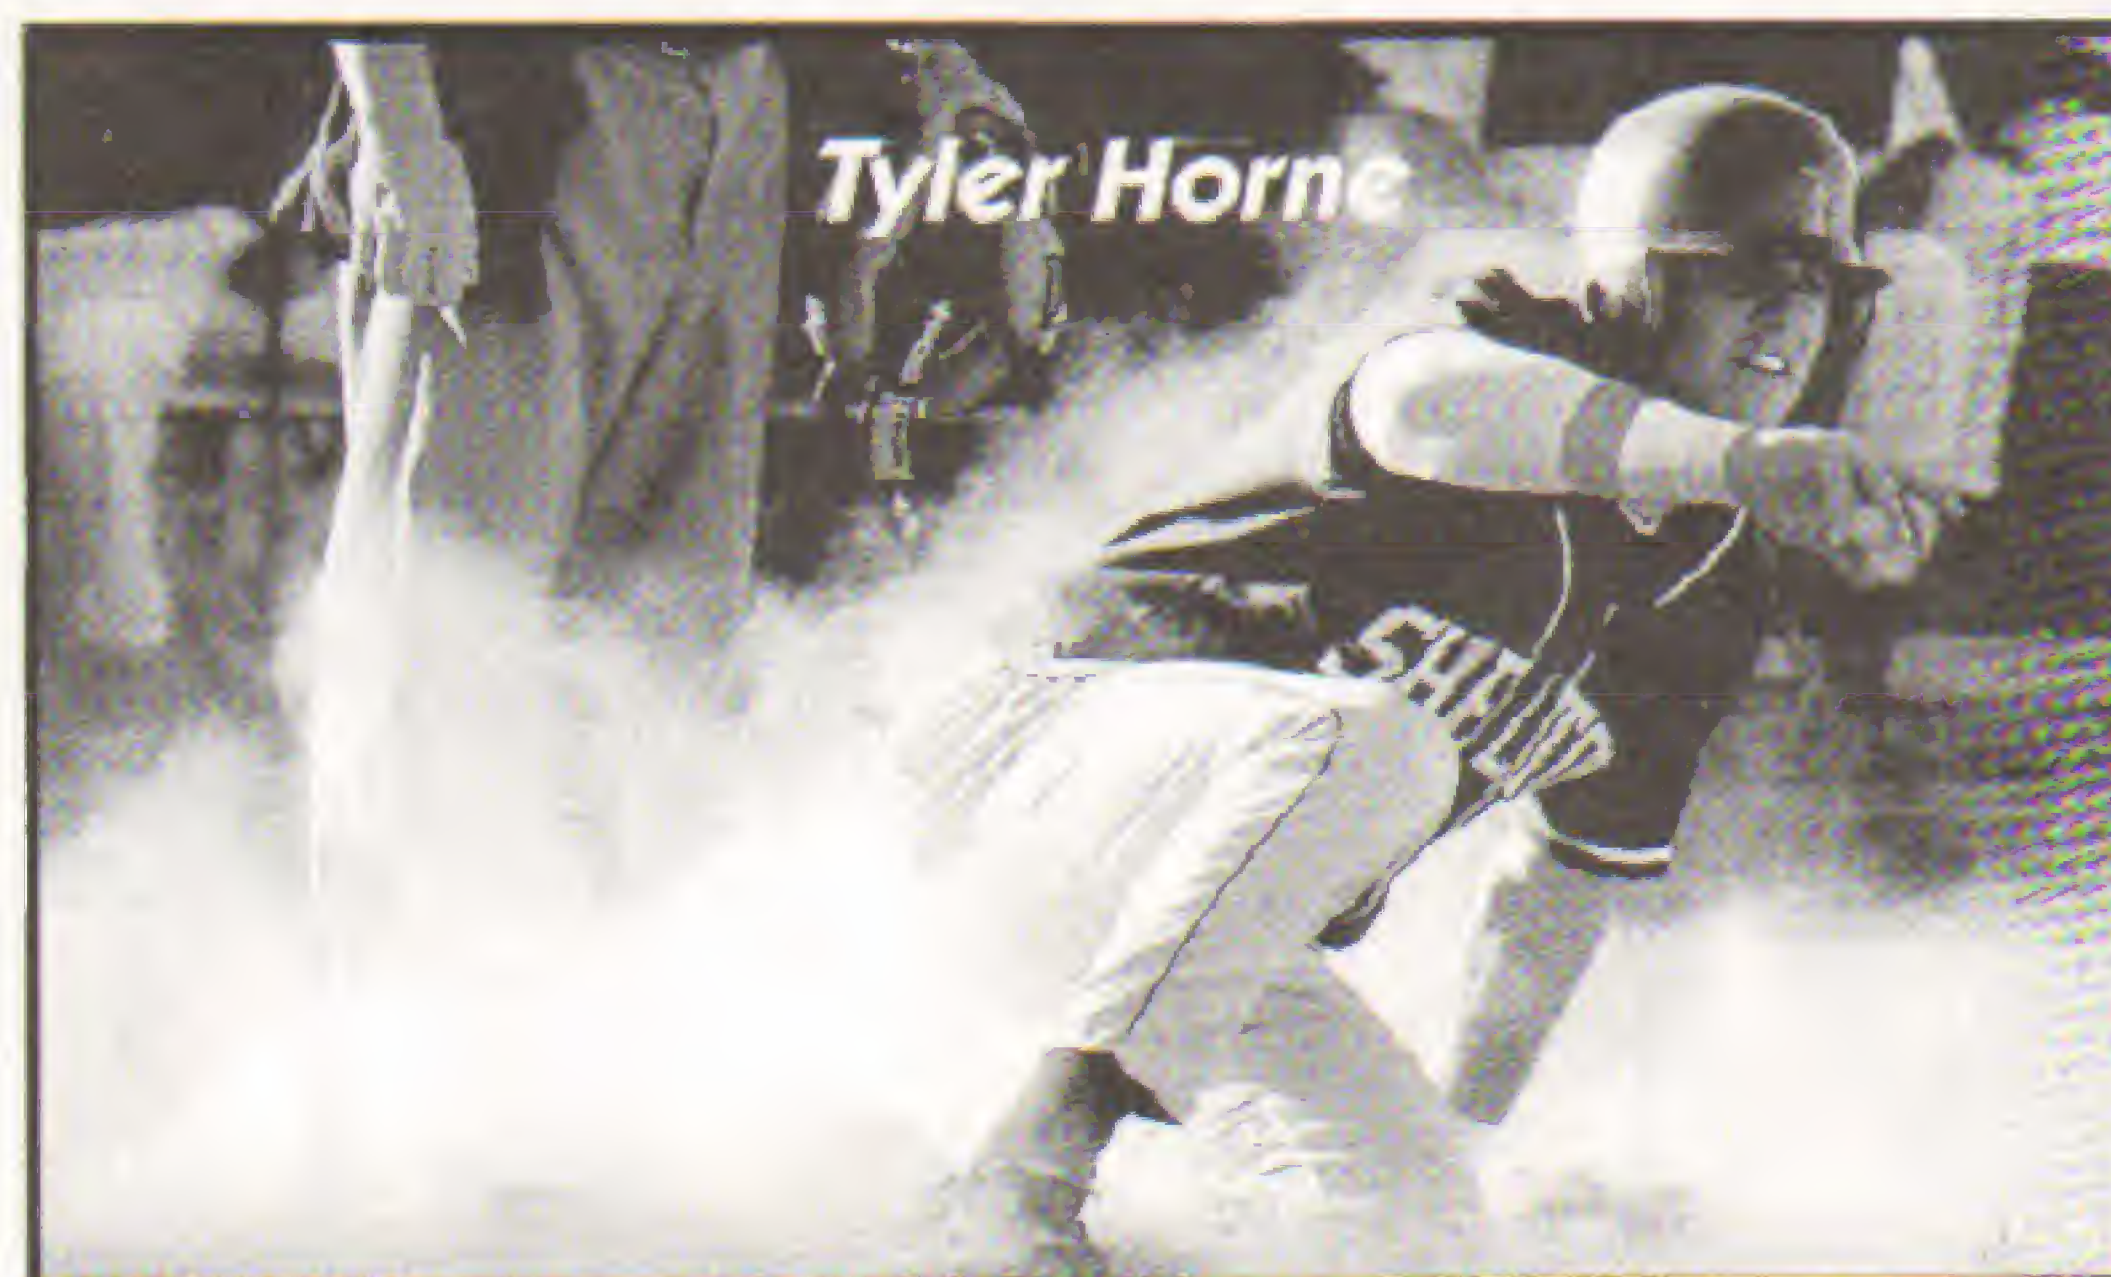

Shelton's 49 wins, combined with the previous season's 46 victories, was the best two-year streak in program history.

The 2008 Shelton State baseball team made waves in winning its second straight state title. Coming off the most successful season in the 24-year history of Shelton State baseball, a season that culminated in the school's second ACCC State Title, expectations were never higher for the Bucs than they were entering the 2008 season.

The talk centered around the idea that if Shelton was able to build off its success from the previous season and maximize its potential, the possibilities for the team were endless. The Bucs returned 16 players from the 2007 season, hoping to take advantage of the experience and leadership of the sophomore class.

When all was said and done, Shelton State put together just the 5th 40-win season in the history of the program and accomplished the feat in back-to-back years for the first time since the 2000-2001 campaigns. The team's 48 wins, combined with the previous season's 46 victories, was the best two-year streak in program history.

Shelton was paced by a potent lineup including a pair of sophomores – catcher Clay Jones and third baseman Tyler Horne – stepped up as leaders of the team in their final campaigns.

Clay Jones

Out of the Gates

If expectations were abound for the 2008 Bucs, Shelton State certainly gave its fans reason to believe in the potential that was seen in the club before the start of the season. Shelton burst out of the gates, winning 10 of its first 15 games while traveling around the state of Florida. That stretch included an opening series sweep of Alabama Southern and a 3-game set of wins in Okaloosa-Walton.

Welcome to the ACCC Conference

Year in and year out, the ACCC is known as one of the finest baseball conferences in the state. The league's teams have proven their worth with their competitiveness and postseason success.

Facing a difficult Jeff State team, Shelton took the series winning all 3 games 9-6, 11-3 and 7-0 respectively. The next two weekends saw Shelton facing stiff competition in Northwest Shoals and Wallace-State Hanceville. Shelton dropped all 6 games facing one of the top hurlers in the state – Craig Kimbrel. In order for Shelton to defend their state title, the Bucs had to step up to the competition after 6 straight losses to conference opponents.

The Bucs answered with consecutive series wins over Lawson State, Marion Military Institute, Gadsden State, Beville State – Sumiton, Snead State and Beville State – Fayette. The Bucs would enter the State Tournament with a third place seeding finishing the regular season behind Northwest Shoals and Wallace-State Hanceville.
